Abstract

My abstract goes here

Contents

1	Introduction	1
2	Background and Theory	1
2.1	Regulatory Capture	1

1 Introduction

2 Background and Theory

2.1 Regulatory Capture

Conceptualizations of regulatory capture are often rooted in the seminal work by Stigler, 1971. Stigler rejects the “idealistic”

Second paragraph is here Downey, 2025.

Let's ride part 4
